STIPULATED LOSS VALUE

If the event giving rise to an obligation to pay Stipulated Loss Value occurs and the actual date as of which the Owner Participant shall incur Federal income tax consequences shall be earlier or later than the date assumed in originally calculating the applicable Stipulated Loss Value, such value shall be appropriately adjusted, based upon the date as of which the Owner Participant incurred such tax consequences but otherwise on the same assumptions used to calculate the following values. In any case where Stipulated Loss Value shall be payable, there shall be added to the amount determined pursuant to the following schedule, the amount of premium, if any, payable in respect of the Certificates.
